## Liability for content

The contents for this website have been compiled with utmost care. Nonetheless, we cannot assume liability for the timeless accuracy and completeness of the information. As a service provider, we are responsible for our own contents on these pages according to the general statutory provisions. Service providers are not obliged to monitor third-party information that has been transmitted or stored, or to investigate any details that suggest unlawful activities. This does not affect our obligation to remove, or block the use of, information as required by the general statutory provisions. However, we can assume liability only from the point at which we become aware of any violation of the law. If or when we become aware of any such violation of the law, we will immediately remove the relevant contents as this complies with our company policies and moral directives.

## Liability for links

This website contains links to external web pages of third parties, the content of which is beyond our control. We cannot therefore accept responsibility for these external contents. The contents of linked pages are the responsibility of the provider or operator of the pages concerned. The linked pages were checked for possible infringements of the law at the time the links were set up. No illegal contents were identifiable at the time of setting up the links. However, continuous monitoring of the content of the linked pages cannot reasonably be expected without definite evidence of an infringement. As soon as we become aware of any violation of the law in a linked page we will remove the relevant links.

## Copyright

The contents and material compiled by the website operator on these pages are subject to Cypriot copyright laws. Contributions from third parties are acknowledged as such. The permission of the relevant author or compiler must be obtained prior to any reproduction, editing, distribution or any other kind of use of the contents outside of copyright law. Downloading and copying of information from this website is only permitted for private, non-commercial use. The website operators strives to

observe the copyright laws pertaining to material produced by others, or to use their own material or material that requires no license.

#### Data protection

Where personal details (such as name, address or e-mail address) are collected on our pages, these details are provided on a voluntary basis as far as possible. Wherever possible, access to the offers and services on the website is provided without users having to supply personal details. Please note that the transmission of data on the internet (e.g. communication via e-mail) can be subject to security gaps. It is not possible to guarantee full protection of data against access by third parties. The use by third parties of contact details published in accordance with the Cypriot general information requirements to send unsolicited advertising and information material is not permitted. The operators of the pages reserve the right to take legal action in the event that they receive unsolicited advertising material, for example through e-mail spam.

## Privacy Policy

This Privacy Policy may be updated from time to time. We will notify you of any material changes by posting the new Privacy Policy on the Site. You are advised to consult this policy regularly for any changes.

### Information Collected

XA.AX LTD may collect information from you in several ways. When you use our website, you may choose to provide certain information directly to us to request more information or services, including personally identifiable information (“Personal Information”), for example, your name, email address, company name, phone number and other information. When you visit our Website, or use an App, some information will be automatically collected.
